

Junior Designer

Allied Works Architecture is a 45-person practice with offices in New York City and Portland, Oregon. Current projects include cultural, academic, corporate, and residential work throughout North America and internationally. Allied Works is seeking exceptional Junior Designers for employment in a demanding and collaborative office environment in the **Portland** office. Considered applicants must have:

- BArch or MArch degree from an accredited university
- 0-3 years of professional work experience
- Exceptional concept design abilities documented with iterative models, diagrams, and architectural drawings
- Ability to execute exceptional presentation deliverables within very tight schedules
- Familiarity working with various tools and medium including but not limited to: physical model building, 2D and 3D drawing and modeling (VectorWorks, Rhino, etc), rendering (Photoshop, Maxwell, etc), generating presentations (Adobe Creative Suite), etc.

Candidates must be authorized to work in the U.S. Fluency in English, both written and spoken, is required.

Please submit PDFs of your cover letter, CV, references, and works samples to jobs@alliedworks.com. Please include "**Portland—Junior Designer**" in the email subject line. Please include salary requirements and indicate availability. Web links will not be accessed. Hard copies can be sent to:

Allied Works Architecture
1532 SW Morrison, 3rd Floor
Portland, OR 97205

Resumes submitted without work samples will not be considered and applications with only a reference to a website will not be considered. Due to the volume of resumes we receive, we are only able to respond to those we are interested in interviewing. No phone calls please.
