

## Intermediate Architect/Designer

Allied Works Architecture is a 45-person practice with offices in New York City and Portland, Oregon. Current projects include international cultural, academic, corporate, and residential work. We are seeking exceptional **Intermediate Architects/Designers** for immediate employment. They will join our team in a demanding and collaborative studio environment in our growing **Portland** office.

- Sophisticated design talent.
- 5-8 years of professional work experience through all phases of design
- Degree in Architecture from an accredited university
- Experience with ground up design and construction on institutional and cultural building types
- Strong organizational skills
- Solid detailing and construction document experience with minimal supervision
- Experience with consultant coordination
- Ability to work within given deadlines
- Excellent interpersonal and communication skills with a gracious disposition
- Proficient in VectorWorks, Rhino, and Adobe Creative Suites
- Commitment be part of our growing practice

Salary is competitive and based on experience/skill level. Candidates must be able to start work immediately and must be a US citizen or hold a US work visa. All applicants who are not U.S. citizens must describe their status to work in the United States, including visa type and duration. Fluency in English, both written and spoken, is required.

Qualified candidates should submit a cover letter, detailed resume, references, and works samples to [jobs@alliedworks.com](mailto:jobs@alliedworks.com) (include **PDX Intermediate Architect/Designer** in the email subject line).

Please include salary requirements and availability. Resumes submitted without work samples will not be considered and applications with only a reference to a website will not be considered. Due to the volume of resumes we receive, we are only able to respond to those we are interested in interviewing. No telephone calls please.
